

Agreement re: Refundable Deposit

Cleaning/Damage Deposit

This refundable deposit is to ensure that the bouncys are treated properly. The conditions for the return of this deposit are as follows:

1. **No food or drinks** allowed inside or on the tarps outside of the bouncys.
2. Absolutely **no glitter, silly string or other such items** allowed inside.
3. **No 'beach' type sand** inside
4. **No cutlery, metal or hard plastic toys**, etc. in the bouncy, or on the surface of the bouncys outside
5. **Do not get the bouncys wet** with hoses or water balloons, etc.
6. Absolutely **no hanging from the basketball hoops** in the Sports or Tropical bouncys

Any costs for damage or any extra time for cleaning up will be the Lessee's financial responsibility so please ensure that all Supervisors (who are always there watching the kids) are made aware of each of these issues.

Thank you for taking great care of my very expensive equipment!

Lessee agrees that the \$100.00 deposit will be retained by Bounce Off the Walls if the above conditions are not met. If cleaning by Bounce Off the Walls is not possible on delivery day due to time constraints, Bounce Off the Walls will erect the bouncer elsewhere within a week of the rental, and will advise Lessee of any problem. If no problems are encountered, the \$100 deposit will be returned.
